02 | InfraCloud Pro

SMALL BUSINESS AI PLATFORM

Smart AI Infrastructure
for Growing Healthcare Teams.

KEY FEATURES

-  **Multi-User AI Platform**
One platform for your entire team.
-  **Shared Medical Knowledge**
Centralize and share knowledge securely.
-  **Team Collaboration**
Share chats, notes & insights with your team.
-  **Workflow Automation**
Automate documentation, summaries & follow-ups.

GPU Acceleration
High-performance AI for faster results.

Secure & Private
100% private deployment in your infrastructure.

Scalable Architecture
Start small, scale as your practice grows.

TECHNOLOGY STACK

GPU Tower Server

High Performance Compute Server

 **NVIDIA RTX 5080**

AI & Graphics Acceleration

FortyGate Firewall

Network Security & Protection

PERFECT FOR

Clinics

Small Hospitals

Healthcare Teams

Specialty Practices
